**INSUREtrust's Christiaan Durdaller Joins Advisory Board for Advisen's Cyber Risk Insights Conference**

*Advisory Board Features Industry Thought Leaders and Influential Marketplace Participants*

Norcross, GA (October 24, 2017) – INSUREtrust, a national insurance wholesaler focused on cyber liability insurance, announced today that Christiaan Durdaller, executive vice president at INSUREtrust, will be an Advisory Board member for Advisen's Cyber Risk Insights Conference. Advisen is the leading provider of data, media, and technology solutions for the commercial property and casualty insurance market. The conference will be held Tuesday, Feb. 13, 2018 – Wednesday, Feb. 14, 2018 in San Francisco, California.

"I am very honored to be selected as a member of the Advisen cyber advisory board. There are thousands of brokers across the country who rely upon the up-to-date content that Advisen releases and I am excited for the opportunity to contribute to it," Durdaller said. "As a specialist broker, it is important that we anticipate and stay ahead of the cyber marketplace changes. Collaborating with some of the industry's brightest minds enables us to continue doing this."

Advisen's 2018 Cyber Risk Insights Conference will cover cyber risks facing businesses today and how the insurance market is responding to these evolving cyber risks. As an advisory board member, Durdaller and other industry leaders will help shape the content of the internationally recognized event.

**About Christiaan Durdaller, Executive Vice President, INSUREtrust**

Christiaan oversees the new business book and leads the Cyber & Technology brokering team at INSUREtrust. He is heavily involved in new business production and focuses on brokering middle market & national cyber and technology accounts. As a part of the INSUREtrust leadership team, he also spends a lot of time strategizing and ensuring that they stay ahead of the market and their competition. **About INSUREtrust**

INSUREtrust, located in the Atlanta metro area, is a national insurance wholesaler that seeks to simplify insurance. In April 1997, INSUREtrust was the first company in the world to successfully develop, underwrite, and market an insurance policy covering the new commercial risks generated with using the Internet – such as privacy and security breaches. For the past 20 years, INSUREtrust has continued to be a leading cyber liability insurance company. In 2017, INSUREtrust won "Cyber Risk Broking Team of the Year" at Advisen's 4th annual Cyber Risk Awards.
